## Headteacher – Mr N Henery

25/5/18

Dear Parent / Carer,

You may be aware that there are new data protection (GDPR) rules coming in from 25<sup>th</sup> May.

The Department for Education has only recently sent out to schools paperwork to support the updated data protection legislation changes and the governing body has not yet had the opportunity to formally review and adopt a new Data Protection policy. However, I have uploaded onto the school website a draft version (under a Data Protection tab) of the policy as well as a Privacy Notice for Parents and Carers which is now a key requirement. This is also in draft form but gives you a clear indication of how the school processes the data you provide.

If you have any other questions, please get in touch.

Neil Henery
