

Moving to
Year 2
Nightingale
Class

After the summer holidays you will be in Year 2!

Your teacher will be:

Miss Kimberly

You will also have a teaching assistant to help you with your work.

In Year 2 you play in the playground like you did in Year 1 and you line up when the whistle blows..

When the teacher tells you to go in, you wave to your Mum or Dad and walk in with the rest of your line.

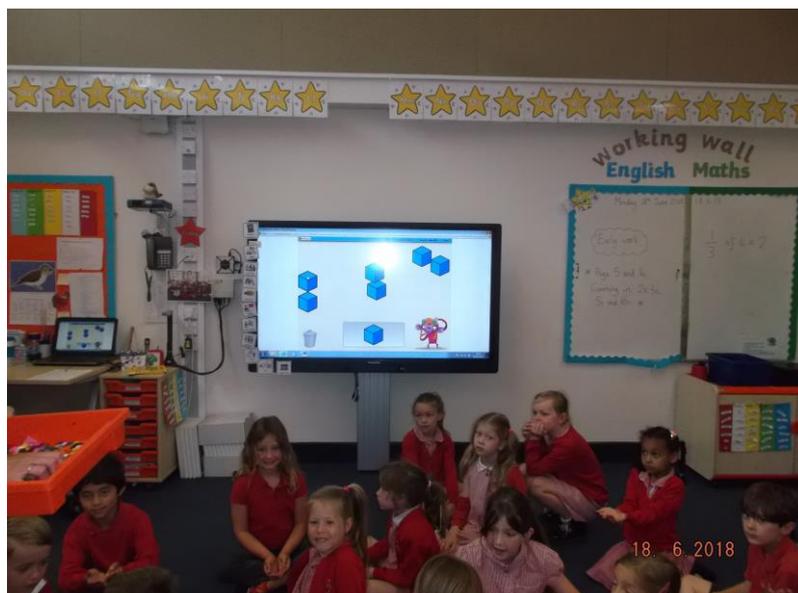

You hang up your things in the cloakroom on the peg which has your name on it and go into class. Someone will help you find these on the first day.

Don't forget to put your lunch box on your class trolley, which is kept outside the classroom door when you arrive. Your water bottles go in a tray inside the classroom.

The classroom looks the same as Y1 class, there is still a carpet, tables and chairs but they are a different colour. There are still computers that you can use, just like Y1.

You won't know where the equipment and other things are to start with but you must ask if you need something.

Sometimes children think the work is going to be too hard but the teachers choose jobs that they think will be fun and someone will help you if you need it.

The toilets are situated in the same place, just off the classroom. There is a difference as 1 toilet is bigger for disabled use. You still need to ask if you need to go just like in Year 1.

At lunchtime you go to the hall as usual but sit at different tables with your Year 2 friends. You need to remember to go back to the right classroom when you come back!

Don't forget you will see the teachers from Year 1 at playtimes and they would love you to come and have a chat.

Although moving to Year 2 sounds worrying, it is fine when you get used to it and everyone is happy to help, so if you are feeling anxious just tell someone and they should be able to sort out your problem.
