## Splash Day

As it is coming up to the end of term, we thought we would finish the year with a Splash! On Tuesday 17th July, we are planning to organise a Splash Day. We will set up various paddling pools in the Foundation Stage garden and each class will have an allocated slot to play in the pools.

In order for this day to go ahead we would need to borrow some paddling pools. If you have a large paddling pool that you could lend us, please speak to a member of staff.

Should we be in receipt of enough pools for the day to go ahead, the children will need to bring in the following items;

- A swimming costume or t shirt and shorts that you don't mind getting wet
- A towel this essential if your child is to take part
- Water proof sandals
- Water pistols (optional)

We would also request that the children have waterproof sunscreen applied before coming to school and recommend that all belongings are labelled with the child's name.

We are looking forward to Splash Day!!!
