

Cringleford CE VA Primary School

September 2018

Design & Technology contribution

Dear Parents,

During the course of the year the children will be involved with various DT and cookery projects. For the last two years we have asked you to make a one-off voluntary annual contribution of £10 so we can continue to provide the materials that our pupils need. This money will allow your child to bring home the items he or she makes during their DT/cookery lessons. This system has worked very well and I hope you will support us with this request.

Parents of children in receipt of Pupil Premium (currently receiving free school meals or has been in receipt of free school meals at some point during the last six years) will not be expected to pay the full contribution, but may be in a position to make a smaller payment. Other parents needing assistance with this payment should speak to me or the class teacher in confidence.

Class teachers will keep parents informed about which cookery/DT activities have taken place and the school will keep a record of how the money has been spent in each class.

No child will be excluded from participating in the DT/cookery lessons.

Yours sincerely,

Mr. N. Henery
Headteacher
