7<sup>th</sup> September 2018

Dear Parent,

### School fruit

The free school fruit initiative provided by the government ends in Year 2. However we feel it is important for the children to continue to have a healthy snack during the morning so fruit is available for Years 3 to 6 to purchase if parents would like to. The cost is £11 a term, paid in advance. We request that all parents pay the full amount, either at the beginning of each term or once a year, even if their child doesn't have the fruit every day. This may seem unreasonable but unfortunately we still have to order enough fruit for them, whether they eat it or not. The children have a choice of the following selection of food, according to the season: apples, carrot sticks, cherry tomatoes, bananas, satsumas, dried apricots, celery, melon, strawberries, sugar snap peas, pears and cherries.

Please fill in the slip below if you would like your child to have school fruit this year. You can pay by Wisepay. If you prefer to provide your own fruit, please let us know on the slip. If you wish to stop your fruit order at any time, just let us know in writing (a note or email is fine). If you are unable to pay but would like your child to have school fruit, please see me. Your request will be treated in strictest confidence.
