2nd October 2018

Dear Year 2 parents,

Next half term our topic will be Inventions! To launch our new topic we have invited Dr Dee Enay from 'Mad Science' who will run an inventions and discoveries workshop on Tuesday the 30<sup>th</sup> October 2018. She will bring along the Van De Graaff Generator for a hair -raising experience. Brave volunteers can shoot lightning between their fingertips and take part in the human light bulb experiment. All of the children will get to try out light bending glasses and see a mini sun (safe!!) explosion! This will be a wonderful WOW start to the half term.

We ask for a contribution of £4.50 per child and this payment should be made via Wisepay. Parents of children in receipt of Pupil Premium (currently receiving free school meals or has been in receipt of Free School Meals at some point during the last six years) are not expected to pay the full contribution. No child will be excluded from the activity if a contribution is not forthcoming but if there are insufficient funds, the activity will not go ahead. Please make a payment before Monday the 15<sup>th</sup> October 2018.

Any questions then please ask.

Yours sincerely,

Miss Greenfield and Miss Kimbley

.....  
I confirm I have received the information about the "Mad Science" event taking place in school on Tuesday 30<sup>th</sup> October 2018.

Child.....Class.....

- I have made a £4.50 payment (via WisePay)
