PE AND SPORT PREMIUM FUNDING FOR PRIMARY SCHOOLS (2015-16)

Our school's vision statement for P.E

Cringleford CE VA Primary School aims to provide a high-quality physical education curriculum which inspires all pupils to participate, succeed and excel in competitive sport and other physically demanding activities. We aim to provide opportunities for pupils to become physically confident in a way which supports their health and fitness and develops character through embedding values such as fairness and respect.

WHAT IS THE 'P.E AND SPORT PREMIUM FUNDING?'

'PE and Sport Premium Funding is designed to help primary schools improve the quality of the PE and sports activities they offer their pupils.

Schools receive funding based on the number of pupils in Years 1 to 6.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money'.
