

Cringleford CE VA Primary School

Spring Term 2018-2019

Newsletter 10

11th January 2019

Dear Parents / Carers,

Your child should have taken home today a curriculum newsletter for this term, highlighting key topics and events. To access the information from the school website please click on the tab 'About us' and then 'curriculum maps.'

Recent events

- Year 5 launched their 'Wonderful Water' topic with a visit from Anglian Water. The children learned about how to use water wisely and also the process for producing clean water.
- Two visitors, dressed in character, worked with Year 2 children to introduce their 'Great Fire of London' topic this week. The children learned all about King James and the fire itself, as well as making ship's biscuits.
- This half term's collective worship / assembly theme is 'Hope' and we are also emphasising 'Resilience' as our key learning behaviour.
- Congratulations to the classes which achieved the best attendance this week – Swallows and Kingfishers. We have now started awarding an attendance certificate in Celebration assembly on Fridays.

Clubs

Please note that netball club and Voice Squad re-start next week, but there is no yoga class for children in Years 3-6 on 14th January.

Parent / teacher meetings

Parent / teacher consultations will be taking place during the week beginning February 4th. This is a week earlier than the date given out in the school calendar in September. Sign up sheets will be posted in classrooms from January 28th.

Menu change / Census Day

At various points during the year census information is collected from the school. The next Census Day is Thursday January 17th and information is collected about how many children take up a school meal on that day. We try to encourage as many children as possible to have one of the school meal choices as the number of meals taken directly affects the amount of funding given to the school for the following year. Please do try to encourage your child to have a school meal that day. The baked potato option, which is always available, is also a good alternative.
