

WE NEED YOUR VOTES, PLEASE!

We want to offer Forest School activities to more children in our school and we have the opportunity to raise that money from the Tesco carrier bag fund.

All you need to do is ask for blue tokens whenever you shop in Tesco and drop them in the box at the front of the store to vote for Cringleford CE VA Primary School. This can be done at a number of different Tesco stores across the Norwich area.

This is a one-off opportunity and you can vote throughout January and February. The more tokens we get the more money we will receive.

With the funding we will be able to start a Forest School group for those children in the 'Language group' for whom this opportunity will be a really positive challenge, supporting them to develop their language and communication skills, as well as building confidence and self esteem in a new environment.

If we receive the top prize of £4000 we will be able to extend this opportunity to another year group too. This is such a great opportunity so please help us by voting as much as you can.

We will find out the results in April.

Thank you

Sorrel Muggridge (Forest School Leader)
