New booking process!

Kiddy Cook are moving to an exciting new way to take bookings and payments. We've partnered with ClassForKids to provide you with an easy to use, modern and secure online booking system. To get started follow this link to book: <https://KiddyCookNorwich.class4kids.co.uk>

Once you find your class, select "info and booking" and follow the steps to create a ClassForKids account (if you don't already have one). You'll automatically be taken straight through to complete your booking and pay.

You will now be able to pay by debit & credit card (platform charges will be payable) or you can select "alternative payment method" and pay by bank transfer or cash, which will not incur any additional charges. Please note that we will no longer accept cheques.

The registration form, home agreement, medical, SEN and dietary requirements will now be logged via the online system when you register, which reduces the forms you need to complete and the paper we need to store.

The process of registering for the new system will be time consuming this first time, but will be a lot quicker for future terms. All bookings will now need to be registered via Class4kids rather than completing a slip, emailing, calling and texting. We are obviously happy to respond to questions by any of these methods.
