

# Hawks and Kestrels

## Summer Curriculum Letter

Friday 26<sup>th</sup> April 2019

Dear parents and children,

We hope you all had a lovely Easter break and are ready for the new term ahead.

### Curriculum Update

We have begun our new *Magical Worlds* topic this week and will be having an exciting magical science afternoon next week to launch our topic fully.

We have attached the curriculum overview for this term, which gives more details about what we will be learning. We have many exciting activities and trips planned and are sure it will be a fantastic end to year 5.

Details about this term's topic homework will follow.

### Reading

Please can we remind you that as part of the weekly homework, all children are expected to **read at home daily for 10 -15 minutes.**

We would like a **minimum of 3 reading sessions recorded each week** in their reading records with an adult's signature, to be **handed in every Monday.**

### Pencil Cases

Please can we remind you that your child should have a pencil case in school with them every day. This should include a **handwriting pen, pencil, rubber, pencil sharpener and some colouring pencils.** Ideally it would also be useful for your child to have a **green pen to use when editing work, a small ruler, a glue stick and a whiteboard pen.**

### PSHE

Towards the end of the term we will be covering some aspects of changes during puberty. Further details will follow nearer the time.

### Please get in touch

If you have any quick questions please find us at the end of the day or in the playground. For any other matters, please arrange an appointment at a mutually convenient time.

**The Year 5 Team**
