

# Cringleford Home Learning

## Headteacher's daily blog

Date: Friday 27th March 2020

Dear all,

What a difference a week makes... Last Friday was our last Celebration Assembly for a little while when we would be celebrating all those children demonstrating some of our key learning attitudes: resilience, creativity, collaboration, curiosity, reflective, resourcefulness. I am sure you, as a family, have had to find some of these qualities to cope with the first week of home learning. Well done to everyone!

We would also celebrate those children with birthdays this week, so congratulations to the following:

James - Kestrels  
Jude - Wrens  
Lily - Skylarks  
Lucas - Robins  
Cooper - Doves  
Reuben - Merlins  
Namira - Kingfishers  
Reema - Puffins

Wishing you all the best for today and the weekend,

Mr Henery
