

Language group ideas for the week beginning 20.4.20

Hello, here are some more ideas for things you could try at home. We hope you all managed to have some fun over Easter. It was all very strange thinking we would be on holiday if we had been at school. It is hard to tell what day it is at the moment. At least the sun is shining a lot of the time which has made it easier to get outside in the fresh air. All the grown ups are missing you all and looking forward to the time when we can all get back together.

	<p>Directions One person hides a teddy, take it in turns to direct the other person to find the hidden teddy. Try to use these words Over, under, around, forward, backward, across, along, through, towards, away from and if you are feeling really clever you could try left and right.</p>
	<p>Rhyming words- think of a word or use one that is in the list below. Then, take it in turns to say any words that rhyme with your chosen word. For example, if you start with park, you could say dark, mark, lark etc. The best bit is that you don't have to think of real words- you can think of nonsense words too, just so long as they rhyme. Some words to start with: Plot, Farm, Play, Zoo, Ink, Sand, Cake, Pit, Tray</p> <p>Pairs Game. Use a pack of cards or any packs of matching pictures you might have. Start with ten cards (five matching pairs), and turn them over so that you can't see the pictures. Turn over two at a time, trying to get matching pairs. You will need to try and remember where the cards are, so that you can collect your pairs.</p>
	<p>On this website there are some disney dance along sessions if you need some new inspiration to keep active. https://www.thisgirlcan.co.uk/activities/disney-workouts/</p>
	<p>Tasting game</p> <p>In this game the children taste different kinds of food while blindfolded, and then guess what it is. Your choice of food will obviously depend on the likes/dislikes of the children, but bear in mind that this game can be a good way of introducing new tastes and textures. Your list might include things like yoghurt, cereal, jelly, rice cakes, bananas, bread, tomato sauce, satsumas and guacamole.</p>
