

# Cringleford Home Learning

## Headteacher's daily blog

Date: Tuesday 28th April 2020

Dear all,

I hope the first day of the new home learning week went well yesterday. By the end of the week, you should have had a phone call from a member of staff and this should give you the opportunity to discuss how your child is getting on.

We are now going to try to upload the work for each day by 5 p.m. the day before in response to some parents wishing to be able to look or plan ahead.

You will know that the Norwich Schools Sport Partnership organises events for schools and we regularly take part in their competitions. This term they are setting some challenges for the Norfolk Virtual School Games - the first one having a mini tennis theme. Each Monday morning there will be a different challenge.

Wishing you all the best,

Mr Henery
