## Headteacher's daily blog

Date: Tuesday 7th April 2020

Dear all,

I hope you all had a good day yesterday. I have been in touch with Cavell Court to see if there is any way of being able to communicate with some of the residents there as they are likely to be feeling very isolated at this time. The manager has suggested that some of the children could send in letters or pictures by email and that the residents would be able to send some replies back. If your child wanted to do that, could you please send something via email ([office@cringleford.norfolk.sch.uk](mailto:office@cringleford.norfolk.sch.uk)) with Cavell Court in the title and we will pass these on.

Norfolk County Council is keen to make sure that parents are aware of the Just One Norfolk website (<https://www.justonenorfolk.nhs.uk/>). This is a digital platform for Norfolk parents and carers, created by the NHS in partnership with Norfolk families. It is full of up to date clinical information, advice and support. The aim is for families to easily move between websites, finding relevant information easily. It gives families a wealth of self-care information, supporting them to build knowledge, skills and confidence to take care of their families' health and wellbeing and seek further support or guidance when needed. It also signposts them to both local and national services. It has features that will read out and translate all written text, making it open to everyone and accessible whenever it's needed. I have attached a leaflet with this blog.

Wishing you all the best,

Mr Henery
