

Cringleford Home Learning

Year 5 - 20/4/2020

Good morning Year 5 and welcome back to 'school'!

We hope you have enjoyed your Easter break and made the most of the nice weather.

Quite a few of you have had birthdays over the holiday. Happy birthday to [Ava, James, Louis and Yvan](#). 🎂🎂 We hope you had a very special day despite perhaps not being able to celebrate in the way you had been planning to.

Mrs Barber has been enjoying spending lots of time in the garden and discovering new walks in the countryside nearby. Finally she has cleared out the very untidy greenhouse and planted some seeds - so far the lettuce, cucumber and runner beans have started to germinate!

Mr Donovan has also been enjoying the good weather. He has been on lots of runs (which is required after the Easter eggs!) Mr Donovan purchased a pressure washer so had fun cleaning the paving slabs which are now a whole range of colours. During this period Mr and Mrs Donovan have been keeping a running tally of games they have played against each other, from table tennis to Monopoly. It is currently 17 vs 14 so very close. (Roo added an extra dimension to the table tennis match!)

Mrs Maslin has been spending lots of time in the garden with her children. They have been bouncing on the trampoline a lot; splashing in the paddling pool and her husband has been constructing a decking area. She also celebrated her daughter's first birthday, which was made even more special because she chose this day to take her first steps!

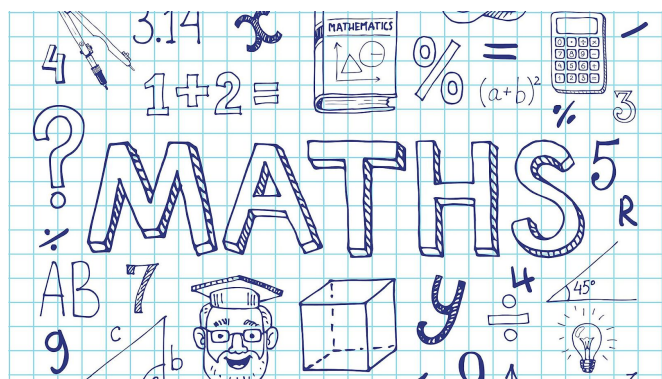

Getting back into the routine of 'school' is always tricky after a break, let alone when school currently is your home. Just remember this is a strange time for everyone so all you can do is your best. We understand that it is very different and you may not always understand everything or have access to the laptop etc so just do what you can. I'm sure your parents will try to help where they can but remember they have their own work to do too.

For the first half of our summer term we will be learning all about Wonderful Water. A curriculum map on this will be sent out at the end of the week. Please note that this reflects what we would do at school so certain activities will need adjusting. To get back into the swing of things and to link with our previous topic of Crime and Punishment we will think about Pirates.

The BBC home learning page may provide some other activities for you to have a go at <https://www.bbc.co.uk/bitesize/primary>

So Ahoy, Me Hearties and Avast Ye.
(Hello crew members and pay attention)

AUhg:

White Rose Maths - Adding decimals

Go to this website and try lesson 1 of Summer week 1.

<https://whiterosemaths.com/homelearning/year-5/>

There is a video lesson, a worksheet to complete and you can check your answers!

You could either print off the sheet if you can, or answer the questions in your learning journal

Follow the link and read the story starter below.

<https://www.pobble365.com/the-artist/>

He had been working on the drawing for hours, locked away in complete silence in his study, letting his imagination run wild. The only sound that could be heard was the soothing scratching of his pencil on the textured paper.

When he had finished, George stood up and took a step back, proud of the work he had done. He was an extraordinary artist, more extraordinary than any other artist in the entire world!

As George spoke the magic word, the ship's sails started to flutter as if a strong breeze blew through the room. He loved this moment, seeing his creations come to life...

Try the questions below. You can write ideas down or have a think/ talk through your ideas.

- Can you continue the story of George's ship coming to life?
- What will he do with the ship now that it has magically appeared?
- What other drawings might George have done in the past? Where are they now?
- If you could draw anything (knowing it would come to life) what would you draw?
- What was George's magic word?

I'm sure many of you are still doing Joe Wicks. It is a really good way to start the day :)

You may want to try this 'teapot' challenge with a ball (it took me lots of attempts to do it so keep going!)
