

1.6.2020

Hello everybody and welcome to the last half of the Summer term,

I hope that you all enjoyed the half term holiday, it was certainly warm and sunny. We went to the beach for a walk on Wednesday, and Chester enjoyed a swim in the sea. There were some rocks that were covered in seaweed which Chester liked climbing on. However, they were a bit slippery and he kept sliding into the water. Myself and Darby were very excited to see that a shop was selling ice cream cones, so we could make it a proper beach visit by having an ice cream. Have you done something this week that you have been missing? Or maybe you have seen somebody that you've not seen for a long time due to being at home.

As you can see from the photographs, the sun flowers are doing extremely well. Darby waters them every day, as I know you know they will not grow without water. Can you remember what else they need to grow? Henry came out for the photograph too, but then I took him inside again as Chester was looking at him with a bit too much interest.....I think maybe Chester would like to take Henry and play with him.

Have you been doing very much exercise whilst you have been off school? I have been to the park and seen lots of people running, skating, scooting and bike riding. Maybe you have some space in your garden for star jumps, or maybe you even have a trampoline. I have been out running, but I have to go later in the evening when it is cooler, or I end up feeling very hot and bothered with a very red face.

As well as the beach, we have been for lots of walks at the UEA, and we have seen lots of families of birds with chicks. The biggest family I've seen, is a mother duck with six tiny chicks. Can you imagine looking after six babies all at once? She was swimming up and down the river and the chicks all followed her wherever she went. There are also lots of cows with calves. Chester loves looking at

cows, and one of the calves came to the fence to sniff Chester's nose. He was very happy to meet a cow.

Well children, have a lovely week enjoying the nice weather if you can. Don't forget the activities on Language Group page, and also if you want to send an email that would be great. Myself and Mrs Barker love seeing and hearing about what you have been doing.

From Mrs Beveridge
