

Hello everyone in Language Group.

How are you all this week? I hope you are feeling fine and keeping busy. My ICT lessons with Ardan are going well, he thinks I am about the same level as Year 3 now. I am writing this from school as I am in with the Year 3 and 4s today. Luckily the weather is warm and sunny so we have been working in the classroom and then playing outside for long play times. We even had our lunch outside like a picnic. Perhaps you have been enjoying a picnic in your garden. Whenever anybody in my house goes outside, Chester gets excited and runs out too, as he thinks they're going to play with him. Sometimes when the boys are playing football, he grabs the ball in his mouth and runs off with it to the bushes. Yesterday when I was walking him at the UEA, he took a ball that another dog was chasing, but luckily he gave it back straight away. Phew!

The sunflowers that I planted are starting to grow, and so I have taken some photos. I thought you could all choose a flower that you think will grow the tallest, and I will keep taking photos. It will be a bit like a competition, you can see if yours is the tallest.

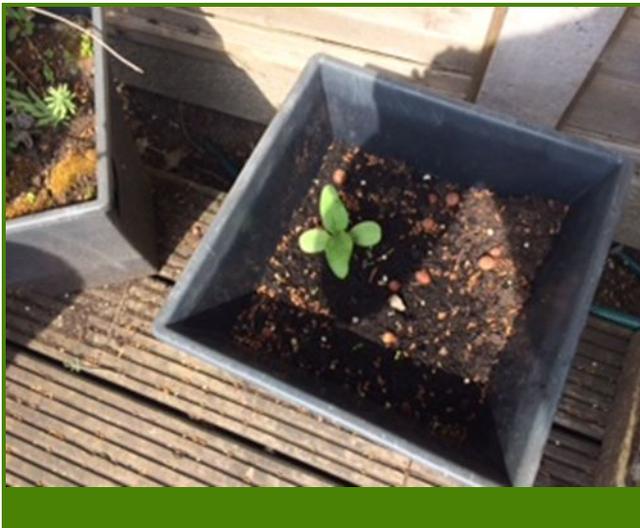

I have just seen Sorrel as she was walking past the school field, and she said that she is missing you all and would like to write to you. So her letter is also on this week's blog, and she has added some fabulous activities too. You can almost imagine we are in Forest School....wouldn't that be nice?

I will call you all again in the next couple of weeks, and don't forget you can email us at Language Group, or send a photo or picture of something you have been doing. Enjoy all your activities this week, there are lots to choose from, and most of all have fun.
