## Headteacher's daily blog

Date: Thursday 21st May 2020

Dear all,

I have spent a lot of time today looking at the responses to the surveys about children returning to school - from those with children in Reception, Years 1 and 6 as well as those from critical workers. The Chair of Governors and I have drawn up a plan for the way forward, bearing in mind the number of class bases we have, staffing available and the need to follow all the available guidance from the Department for Education in order to keep everyone as safe as possible. We have drawn up plans which are being reviewed by the rest of the governing body. I will send out an email later today with details of the plans as soon as governors have had the chance to respond.

Wishing you all the best,

Mr Henery
