Headteacher's daily blog

Date: Wednesday 6th May 2020

Dear all,

ActiveLearn has sent the school the following information:

*We are making some updates to the ActiveLearn Login on **16 May**.*

This update means you and your students will need to re-enter usernames and passwords again when you first login after this date, as any saved details won't be shown by the browser.

*We appreciate that the change may cause some issues for students and teachers, but - **users can note their password and username by clicking "Show" on the Sign In/login page.** Could all parents and users please note their login details prior to 16 May.*

Any password resets required after this date can be sent through to office@cringleford.norfolk.sch.uk. However, if you could please note your password and login details as above it would be much appreciated.

Wishing you all the best,

Mr Henery
