

Hello everyone,

I hope that you have all had a good week. I had a very busy week getting ready for more children coming into school, and also going onto school. I am now in a Year 2 classroom with Mrs Eyre, so things are a little bit different for everyone. I know that some of you are coming back into school this week and I am looking forward to seeing you. We won't be having Language Group, but I will be able to wave to you in your bubble.

I don't know about you but I am really missing the sun we had got used to. I went for a run yesterday with my friend, and we got so wet that Chester thought I was a walking water bottle when I got home. He kept trying to lick me, even though he has his own bowl of drinking water. Luckily when I took him out later we managed to stay dry, and the rain didn't start until we got home.

I may have a chance to call some of you either this week or next, as I know that you are not all able to come back to school yet. You will not be missing out on any special activities at school, as we are not having any day trips, or sports events or even assemblies. I have promised the Year 2 children that myself and Mrs Eyre might sing to them, but as you already know how I sound when I sing, you will know it is not that good.

I hope you enjoy the activities on the Language Group page this week, and don't forget to email us if you would like to. Some of you have even emailed photographs which are so lovely to look at. So have a great week,

From Mrs Beveridge
