

Cringleford Home Learning

Headteacher's daily blog

Date: Friday 12th June 2020

Dear Parents / Carers

Later today you will receive a much briefer report than normal for your child from your class teacher. These were written just before half term and will be sent out to you via Pupil Asset. As I have written in the email to accompany the report, we would like to thank you for the big part you have played in supporting your child's home learning during lockdown.

All staff will be receiving some additional training at the end of next week on the use of Microsoft Teams and we hope to be able to experiment using this platform, at least with some classes before the end of term. In the meantime, we are continuing to base our learning, whether in school or at home, on the daily home learning blog put up by each year group. Some families have not engaged with these as well as others and staff members will be ringing selected parents / carers to try to support them further with this.

The following message was sent to us by **Norwich Cathedral**:

Do you have a child at home who loves singing but missing it at the moment? We are inviting children in Years 2-6 to join in our virtual Norwich Cathedral Children's Choir session on Saturday mornings, 9.30-10 a.m. There is no charge but registration in advance is essential. Take a look on our website for more details:

Celebration assembly

At some point soon we will be recording a Celebration assembly and it would be lovely to have some photos to put into a PowerPoint slide show of children doing activities or work they have been particularly proud of. These could be sent to the following email address by Wednesday of next week: goodwork@cringleford.norfolk.sch.uk

It would also be good to have some ideas for prayers that are relevant for this period of time, so any ideas or even just one line which can be put with other suggestions would be welcomed. Again, just send in ideas to the above email address.

I hope you all have a good weekend when it arrives - with some warmer weather hopefully!

Wishing you all the best

Neil Henery
