- What would each of these items cost in muggle money?
- Work them out and write them in your maths book.
- What else would you like to buy in Diagon Alley? Invent a price for the item and then change it into muggle money. Make some questions for others to solve.

Bonus

- You could change what the galleon, sickle and knut is worth e.g 1 galleon may = £13! How hard can you make it?
