Dear Parents / Carers

I hope you all had a good weekend. This week the weather is supposed to be really warm so I hope you manage to get outdoors and are able to meet up with close family and friends.

With all the recent announcements from Gavin Williamson last week, I will send a more detailed email to all parents to discuss what I know about arrangements for September, although I can tell you that no fine details have been sent to schools as yet.

Thank you to everyone who sent in videos and pictures for inclusion in an assembly. Mrs Bayes has kindly created a video which I will send out this week. It really does show that the children have been doing some great things at home.

Wishing you all the best

Neil Henery
