## Headteacher's daily blog

Date: Thursday 25th June 2020

Dear Parents / Carers

I will be sending out an email later today or tomorrow letting you know the arrangements for classes in September with outline plans for a brief face to face transition meeting towards the end of term so your child can at least spend a short amount of time with his / her new class teacher and meet up with a small number of current class mates. I have written to our Cluster advisor to see if this would be acceptable within the initial guidelines sent out by the Local Authority.

Wishing you all the best

Neil Henery
