

Cringleford Home Learning

Headteacher's daily blog

Date: Thursday 4th June 2020

Dear Parents / Carers

I hope the home learning went well yesterday. I just wanted to say a big thank you to all the Year 1 children for the Powerpoint of their work which the staff put together and sent to me. It is lovely to see how creative you all are and all your messages from before the half term holiday were so encouraging to read. I am continuing to upload a daily blog, even though, like today, there is not too much to report, only because it is impossible to tell when there will be a new government directive and you need to be informed about something quickly.

Wishing you all the best

Neil Henery
