

# Cringleford Home Learning

## Headteacher's daily blog

Date: Tuesday 16th June 2020

Dear Parents / Carers

I hope the first day of home learning this week went well. Please don't forget to use the year group email addresses to share some of your child's learning. With the good forecast for the day, I hope you and your child have opportunities for exercise and outdoor activities at some point as I know that both support well-being and learning.

Wishing you all the best

Neil Henery
