Headteacher's daily blog

Date: Wednesday 3rd June 2020

We are looking forward to welcoming back a larger number of key worker children today and hope they have a great day back at school, however different it might seem. The teachers are looking forward to getting back to their classrooms, although some of them are teaching different year groups. They are looking forward to the challenge of trying to teach small groups but also connect with those at home.

Wishing you all the best
