Headteacher's daily blog

Date: Friday 10th July 2020

Dear Parents / Carers

Well done for getting to the end of the week. Next week your child's current teacher(s) will continue to set work for their current class, but on the last two full days of the term your child's new teachers will be setting some tasks and also sending out a video introducing themselves. Your child will also get the opportunity to send in something of his or her own choice so the new teacher(s) can find out all about your child's interests etc.

Congratulations to all the children having a birthday this week:

Brooklyn, Ethan, Clementine, Darcie, Elsa, George, Elsie, Bella, Tyler and Maggie. We hope they all get a good chance to celebrate their special day!

Wishing you all the best

Neil Henery
