

Cringleford CE VA Primary School

Cringleford Home Learning

Headteacher's daily blog

Date: Monday 18th July 2020

Dear Parents / Carers

I hope your weekend went well. Don't forget to look at the class blogs to find out more about what your child will be learning in September and some introductory videos from teachers. Tomorrow I will send out via email the details for all children returning to school in September. This will then be posted on the website for reference over the summer holiday.

Summer learning activity pack

The Local Authority's Teaching and Learning team have worked in partnership with UEA's School of Education and Lifelong Learning to create family learning packs (attached). The packs are designed to provide families with creative and fun ways to continue learning over the summer (if you still have energy left for some more home learning!). Activity ideas cover a range of subjects, themes and age ranges and are designed to support families to enjoy learning new things in everyday situations.

South Norfolk Early Help bulletin

I have attached the latest bulletin which contains lots of useful information about a large range of topics, including Active Norfolk and Library updates.

Retirement

Mrs Eyre, one of our teaching assistants, will be retiring at the end of this term. Although she has taught in Year 2 for the past few years, she has supported many year groups and individual pupils over her time spent at Cringleford CE VA Primary. Mrs Eyre has recently led one of the Year 2 bubbles, for which I am extremely grateful. We will really miss Mrs Eyre as she has provided fantastic support to so many children and staff. She has promised to come back and help out in a voluntary capacity next term. In the meantime, we all wish her a great summer holiday and want to thank her for her amazing support to the school.

Wishing you all the best

Neil Henery
