Dear Parents / Carers

I have been mentioning some groups of people to thank for their efforts and would like to say that the children, whether at home or at school, have been amazing. They have proved to be really resilient and a real credit to the school.

I am sure you will also agree that the staff have also worked incredibly hard to provide lessons both at home and in school. There has been a real sense of team working throughout and I am really proud of everyone's contribution. I know some parents have kindly asked if it would be possible to drop off presents for staff. If you would like to do that, please bring anything (clearly labelled) to the front of the school. We have been putting a table outside for returns of library books etc.

Thanks are also due to the PTA and parent helpers who have given up so much time to make sure that fundraising and social events were successful highlights of the school calendar up to Easter. It is such a shame that some of the things planned for the summer term have not been able to take place.

The school normally contributes articles for the Parish magazine and I have received a prompt from the editor to send in anything of interest for the autumn edition (by August 10th). I wonder if some of the children might be able to send a photo with a short caption of something they have done during lockdown, whether it is cooking, model making, sports activities etc. It could also be a favourite piece of work, such as a poem or art work. These could then be sent via email to:

The following is from the Norwich School Sports Partnership:

*We would like to congratulate you on taking part in the Norfolk School Games Virtual Challenges during the period of school closures. We are really glad that you could be a part of it and hope the pupils enjoyed taking part.*

*Please find attached 2 certificates:*

1. To hand out to individual pupils who took part in any of the challenges and represented your school.
2. To display in the school to show that the school took part.

*We will be celebrating the success of the rainbow run by sharing compilations videos next week. You can find all videos from the virtual games on our YouTube channel-*

I have attached a copy of the certificate for pupils, so if your child participated, please feel free to print out and sign.

Wishing you all the best
