Headteacher's daily blog

Date: Thursday 2nd July 2020

Dear Parents / Carers

One of the really good things that has come out of the lockdown period has been hearing of organisations which have helped communities. In the school's case, People Powered (freelancers of the UK entertainment and event industry) contacted us to see how they could help us out. They looked around the school a few weeks ago and said they could help restore our garden bed area. Unfortunately, all the wooden sleepers are rotten and falling apart. A group of volunteers have started to replace the sleepers with large tyres and they will also put in a new shed for us. We are really grateful to them for doing this. By the end of the week we will have quite a lot of wood to dispose of. Please let us know if you would like to take any of it away for us - or use it for a future bonfire! Alternatively, if you have connections with any skip companies and can get us a good deal, please let us know -

office@cringleford.norfolk.sch.uk

Thank you, People Powered!

People Powered: the freelancers of the UK entertainment and event industry coming together to support the NHS and frontline organisations.

Wishing you all the best

Neil Henery
