Dear Parents / Carers

As this is the final full week of home learning, I would like to thank some people for their efforts over the last few weeks. Firstly, thank YOU for supporting your child(ren) with their learning. Nobody could have imagined that the situation would have lasted so long and I know you have had to be very patient! Teaching your own child is not an easy job - I know, as I have had to do it a few times when my wife has been at work. We know you have helped teach the children new skills and many pupils will no doubt look back with great memories of time spent at home. Thank you, again, for partnering with us to try to make sure the children keep up with their work. You all deserve a medal at the end of this long term!

Wishing you all the best
