## CRINGLEFORD COMMUNITY CHRISTMAS TREES

To brighten up our community this Christmas we've sourced 200 wooden DIY craft tree bauble decorations to give away. The baubles are plain flat discs made from wood and are perfect for you to use your creativity to decorate and individualise with messages of peace, hope and love at Christmas.

There are three fir trees on the green opposite the school on Dragonfly Lane that are crying out to be given some festive sparkle and are ready for you to hang up your masterpieces.

We'll be giving out the baubles over Advent, after school by the trees. If you miss us there and you'd like a bauble please contact us (see below) and check our social media feeds for up to date details.

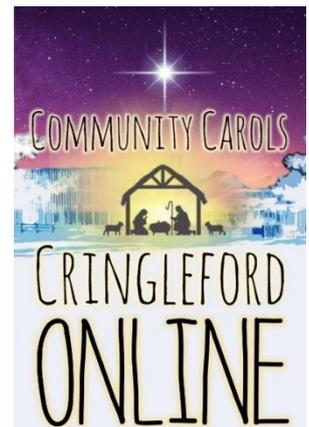

## CRINGLEFORD COMMUNITY CAROLS

Obviously, this year the annual carols on the green can't happen as they usually do so we'll be moving it online. During Advent we'll be looking for different families, work groups, support bubbles, or individuals to record themselves singing their favourite carols and festive songs to share with our community. We'll also be looking for people to read the nativity story and share some Christmas memories.

The date for the broadcast is to be confirmed, check our social media feeds for up to date details.

If you're interested in getting involved please contact us for more information (see details below)

## IN SEARCH OF CHRISTMAS - INTERACTIVE CHRISTMAS TRAIL

'In Search of Christmas' features scannable QR code posters as part of a fun Christmas trail. Find and scan QR codes to uncover video clues and crack the final code to discover the real reason for the season! The trail will be run around the community details to follow.
