Spring Term 2020-2021

Newsletter 23

5th March 2021

Dear Parents / Carers,

Following on from my newsletter earlier this week, the Local Authority has sent out to all schools a letter about the lateral flow tests which are now available to families (attached).

Norfolk County Council has also made a very short video for parents about the return to school:

Just One Norfolk has recently updated the range of resources and support available on the website to assist families when children are anxious about returning to school. You can find these here [Return To School \(justonenorfolk.nhs.uk\)](https://www.justonenorfolk.nhs.uk)

Finally, we understand that some children might well have grown out of uniform items (jumpers / trousers etc) and it may well have been difficult to get replacements. Please do not worry unduly about this. Sensible alternative items can be worn in the first instance.

We look forward to seeing all the children back on Monday morning.

Yours sincerely,

N. Henery
