

Cringleford CE VA Primary School

Spring Term 2020-2021

Newsletter 24

12th March 2021

Dear Parents/Carers,

Thank you all for adjusting once again to all the back to school routines for drop offs and pick ups.

I just thought I should write a short note at the end of this week to say that it has been wonderful to see all the children back in school and reflect on how they have settled in.

Our Celebration Assembly this morning gave each teacher the opportunity to let all the other classes know about some of the fun activities they have been doing – many of which have been designed by the staff to enable the children to work collaboratively and creatively. We heard about joint art projects, marble runs, short films, gardening as well as their normal English and maths activities. I felt incredibly proud to hear of the children's positive attitudes and the way they are adjusting to school life again. Children are amazingly resilient and I am sure things will continue to improve and school life will increasingly return to normal by the end of the summer term.

Comic Relief

Next Friday (March 19th) is Comic Relief and so we thought it would be a great opportunity to reinforce the idea of 'community' within the school. At Christmas, Mrs Dodson and Miss Kimbley organised class window displays which all the children enjoyed getting to come and view. We thought it would be a good idea to go with a similar idea but instead of 'stars' the children will share 'jokes' in our windows for the children to come around and see.

The children will be able to come into school next Friday in non-school uniform for a suggested £1 donation, but all children can participate regardless of whether any money is brought in. There will be some collection buckets so any donations can be dropped in.

As this is will be a PE day for Year 2 & Year 4, please ensure that your child is wearing something suitable for taking part in PE, including suitable footwear.

Foodbank Friday

Thank you to everyone who has donated any food items over the last couple of weeks. Foodbank Friday will continue on March 19th and 26th.

Holiday activity

Active Norfolk is promoting a 'Big Norfolk Holiday Fun' activity week over Easter for children in receipt of free school meals. Please see the attached flyer for information.

Reminders

- Classes are well ventilated so packing extra layers of clothing is really important.
- If you are late to school and your child's line (Reception, Years 1 and 2) has already left to go into school in the morning, please do not send your child in through the large wooden gates, but take your child to the office.
- Some parents / carers are parking far too close to the entrance of the car parks. This blocks the view for pedestrians crossing the road. There are ample parking spaces at the Willow Centre.

Finally, I hope all the Mums enjoy 'Mother's Day' this Sunday!

Yours sincerely,

N. Henery
