

CRINGLEFORD CE VA PRIMARY SCHOOL

On line Abacus maths homework

Dear All,

Your child has been allocated a login and password that enables them to access maths homework which supports the maths teaching and learning which is taking place in school each week.

Please log into www.activelearnprimary.co.uk

On the front page you will be asked for your username. This is the first 4 letters of your child's first name and the first 4 letters of their surname all in lower case.

All the children have the same password which is **school**

The school code is **crin**

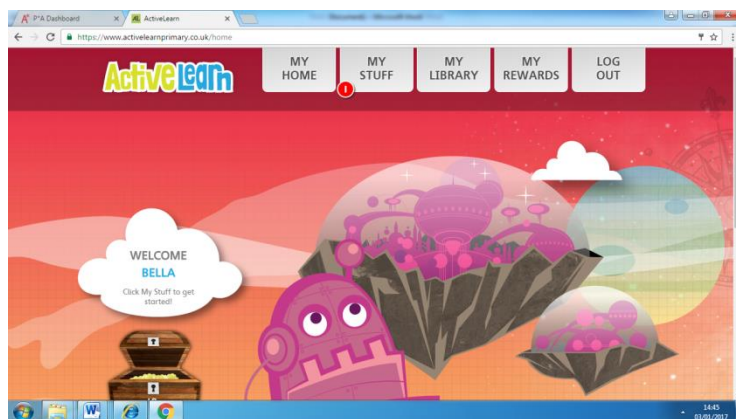

For example for Fred Bloggs

fredblog

school

crin

Then you will see this screen:

Click on the 'My Stuff' tab for this week's homework.

We will endeavour to upload a new task every week.

Best wishes,

The Year 1 team.
