Topic: *Terrible Tudors in Norfolk*

Dear Parent / Carer,

Hello. We are sorry that you are not able to be in school this week. If you feel well enough, here is some work for you to do. We look forward to seeing you soon.

Mrs Barber, Mr Donovan and Mrs Brewster

English	<p>Street Child by Berlie Doherty</p> <p>In school we are reading <i>Treason</i> by Berlie Doherty which is set in Tudor times. Another well-known book she has written is <i>Street Child</i> which is set in a different historical period but we thought it would nice be compare another book by the same author.</p> <p>Follow these 5 lessons on Oak academy to explore the text further: https://classroom.thenational.academy/units/streetchild-by-berlie-doherty-d135</p> <p>Reading</p> <p>This is the most important thing that you can do while you are off school. You should try and read for at least 15 minutes every day. Find a book that you think you'll enjoy (an old favourite, a new Christmas present or one that you've been meaning to read for ages but not got round to picking up), find somewhere comfortable and sit back and enjoy!</p> <p>You could do any of the following types of reading:</p> <ul style="list-style-type: none">- Read by yourself- Read aloud to an adult, a sibling or even a pet- Ask an adult to read to you. <p>Tudors Reading Suggestions</p> <p>If you would like some ideas of other books to read related to the Tudors, this website has some really good suggestions: https://www.booksfortopics.com/tudors</p>
 <p>Maths</p>	<p>We would like you to use these lessons to consolidate our work on area and perimeter https://classroom.thenational.academy/units/area-and-perimeter-ea69</p> <p>Try one of these 5 a Day sheets each day to practise your calculations. https://corbettmathsprimary.com/5-a-day</p> <p>It is always useful to improve your times tables using Times Tables Rockstars.</p>
<p>Terrible Tudors in Norfolk</p>	<p>Our topic this half term is <i>Terrible Tudors in Norfolk</i>. Whilst you are at home, this gives you the ideal opportunity to work on your project homework relating to one of the areas below.</p>
