Summer 1 – Ancient Egyptians

Dear Parent / Carer,

We are really sorry to hear that your child is having to isolate at home due to COVID-19. Below is some work you can do at home for at least the first couple of days, but only if you are well enough. We will send out work closely related to the lessons your child is missing if you need to stay at home for a longer period of time and will contact you about this. We look forward to seeing you back at school really soon.

Mr. Barwick, Mrs. Brown and Mrs. Dodson

English	Our learning for this half term includes looking at explanation texts. Try these lessons from Oak Academy about the chocolate-making process: https://classroom.thenational.academy/units/chocolate-making-explanation-writing-1da5
Science	Our science curriculum this term includes looking at electrical circuits. You could learn more by looking at these lessons on Oak Academy: https://classroom.thenational.academy/units/electrical-circuits-06f7 Also, have a look at the lessons on the Oak Academy site about Notable Scientists: https://classroom.thenational.academy/units/notable-scientists-44ba

Maths	<p>Please have a go at the "Fractions" revision problem-solving tasks on a power-point on the blog.</p> <p>Also, go onto "Times Tables Rock Stars" for more learning of your times tables.</p>
Reading	<p>Take a look at these Oak Academy lessons which encourage reading for pleasure:</p> <p>https://classroom.thenational.academy/units/reading-for-pleasure-2dfe</p>

You can use the following websites to keep active at home:

There are some brilliant activities that you can do at home here:

<https://www.youthsporttrust.org/pe-home-learning>

And lots of great activities on the BBC Super-movers website:

<https://www.bbc.co.uk/teach/super-movers/ks2-collection/zr4ky9g>

Do you have time to learn even more? Here are some links to useful websites you could use:

- [BBC Bitesize](#) – Begin by clicking [this link](#) and then selecting your year group. Choose which subject you would like to learn more about. There are great videos, quizzes and activities for you to do!
- [Top Marks](#) – This is a great website to find interactive games. You can choose your age group and subject and then find fun games to play.
- [Oxford Owl](#) – Oxford Owl provide a free E-book library with lots of books for you to choose from. We would love to hear about which books you choose!
- [Nrich](#) – This is a great website to use for Maths. It provides activities and games which promote problem solving and fluency. Just click the link and then choose which area of Maths you are learning about at the moment.
